CONSISTS OF INTERNATIONAL SYMPOSIA:

Symposium on Innovation in Civil Engineering:

- Structure
- Green Constructions
- Geotechnical engineering
- Transportation system & engineering
- Construction engineering management
- Water resources engineering & management

Symposium on Innovation in Architecture and Built Environment:

- Vernacular architecture
- Urban and rural planning
- Planning, housing & settlement
- Building Performance and Green Architecture
- Architectural heritage and conservation

Symposium on Mechanical and Industrial Engineering:

- Mechanical Engineering
- Manufacture
- Fracture Mechanics
- Computational Mechanics
- Mechantronics

Symposium on Innovative Development in Material Science and Technology:

- Polymer
- Biomaterial
- Composite and Ceramics
- Nanostructure material
- Electronics Materials
- Minerals and Metals

Symposium on Advances in Mining & Geological Engineering:

- Exploration
- Exploitation
- Green Mining
- Georesources
- Geomechanics
- Geo-sciences
- Coal Upgrading
- Mineral Processing
- System Management of Mining Safety
- Geohazard Mitigation and Risk Assesment
- Geo-information system and Remote Sensing

Symposium on Emerging Concept in Chemical Process and Biotechnology:

- Thermodynamics
- Mass & Heat Transfer
- Plant Equipment Design
- Separation Science & Technology
- Bioprocessing and Biotechnology
- Process Simulation and Modelling
- Advanced Oxidation Processes
- Chemical Reaction Engineering & Catalysis

Symposium on Advances in Electrical, Electronics, Control and Telecommunication Technology:

- Robotic
- Power System
- Power Electronics
- High Voltage
- Wireless
- Fiber Optics
- Computer Engineering

Symposium on Progress in Energy Science and Technology:

- Energy resources
- Energy conversion
- Energy conservation
- Energy Audit
- New and Renewable Energy

Symposium on Current Innovation in Environmental Science and Technology:

- Green Technology
- Environmental Science
- Environment Protection
- Environmental Friendly of Chemical Process

PUBLICATION

All submitted conference paper will go through a double blind peer reviewed by two competent reviewers.

All Accepted Papers will be published in SCOPUS indexed proceedings*:

- Advanced Science Letter
or
- Procedia Engineering

Selected paper will be published in a regular/special issue in SCOPUS indexed journals:

1 Jurnal Teknologi

2 IJASEIT

(International Journal on Advanced Science, Engineering Information Technology)

KEYNOTE SPEAKER

Prof. Ahmad Fauzi Ismail

Universiti Teknologi Malaysia - Malaysia
